## *Dedication*

We dedicated the 1974 Horizons to a gentleman whom we love, and admire. Mr. Lewis Hambrick's ten years at Holmes have earned for him the respect of students, faculty, and administrators that he deserves. Being young enough to relate to students, he is also mature enough to give us sound judgement. We think of him as our friend - one who gives encouragement, who is concerned for our welfare, who will listen with understanding to our problems. He is deeply committed and dedicated to his work. Because he has endeared himself to us by being himself, we have chosen to recognize Mr. Hambrick, Dean of Student Affairs, by dedicating this book to him.

# For whom is MP&L Helping Build Mississippi Communities?

## For them.

MP&L's Community Development work extends to young Mississippians. Working with Boy Scouts and 4-H Clubs the Company sponsors the Helping Build Mississippi Communities projects, which include conservation and beautification efforts, traffic safety, and "Good Samaritanism" toward the elderly. This work with young citizens gives added meaning and a long-range approach to MPL's goal of "Helping Build Mississippi."

## *Editor's Message*

Though this is the end of the 1974 HORIZONS, the purpose of this yearbook is to keep the wonderful and delightful memories of the short period spent here.

As HJC has grown within its boundaries, the students have grown in knowledge toward a better future.

HORIZONS has tried to portray the individual seeking his identity in the many aspects of his life.

My thanks go to my advisor whose knowledge and advice is only out-weighed by her patience; for an alert and working staff; and for the students and faculty in giving their full cooperation. It has been a pleasure for me to work with each of you.

I hope you will not think of this as just another yearbook, but that it will have a special place in your memories.

Editor  
Janet Davis
